STATEMENT OF FACTS

On May 24, 2016, while in the process of legally parking on Willoughby Avenue (BKLYN, N.Y.) the Petitioner (Henry Bannister), whom is in the drivers seat of a 2016 Hyundai Santa Fe (Enterprise Rental) with Tennessee license plates (X2617K), along with co-defendant (Tashaun Carty), whom is sitting in the front seat passenger. Looks up to see a un-marked Police Mini Van slowly passing by, looking in the defendants direction, knowing that they (said defendants) were not doing anything wrong, while completing the task at hand which was to make sure not to hit the automobile at his immediate rear. Completing his parking, did the Petitioner look up to see a plain clothes officer (P.O. Luis) running pass the front of his vehicle, acknowledging him to be a Police by the badge swinging from his neck, did said officer proceed to the passenger door of the rental car. After the unprovoked approach by said officer, is the passenger side door aggressively snatched open and the passenger within the vehicle forcefully removed (see, Exhibit 1, People v Duran, 2016 NY Slip Op 502723(U), Decided on May 9, 2016, Supreme Court, Kings County, by presiding part judge, Hon. J. Shillingford [H1:115-16]). The Petitioner whom is startled by what just accurred, failed to notice the officer (P.O. Giuffre) tapping at the drivers side window. Acknowledging said officer, whom is indicatating for said Petitioner to let down his window. Doing as is requested, do said officer then demandes that the Petitioner turn the car off and hand over his drivers license and registration. Informing said officer that the vehicle in question

being a rental and instead of a registration, he had a Rental Contract. Handing the officer the requested information from the supervisor over head, does the Petitioner notice the officer whom was on the passenger side in the manner before mentioned. Now escorting the passenger whom is in handcuffs, to a dark un-marked sedan, sitting approximately (based on information and belief) 85 feet before the Petitioners rental vehicle (see, Re-opened Suppression Hearing, transcripts inwhich Prosecuting A.D.A., Krystyl Tendy, testifies to, thus making herself a witness to the fact reflected in the above), the exact location of the fire hydrant soon to be brought into scope. After placing said newly arrested defendant inside, then speakeing a few words to the officer therein said vehicle (John Doe) before it pulls away with said defendant in tow, and officer Luis returnes. It being at that time that the driver side officer asks the Petitioner if he has anything on his person or in the vehicle that would cause him harm? Do let him know now! Informing said officer that it was not, does said officer further instructes the Petitioner to step out of the vehicle. Doing as directed is the Petitioner then pat frisked and the area within the vehicle inwhich he sat, briefly inspected, either, without coincide ment (see, Grand Jury Hearing, transcripts, page 8, lines 22-25, page 9, lines 1 - 6;). The Petitioner is then escorted to the rear of the Hyundai, where he is further interrogated. It being at that time that P.O. Luis whom is just returning from placing the passenger of the rental into the un-marked sedan in the manner previously discussed, whom enters the defendants rental car and begins to search (this takes place contrary to the testimony reflected in the above by P.O. Giuffre while at the Grand Jury Hearing, thus

STATEMENT OF FACTS

On May 24, 2016, while in the process of legally parking on Willoughby Avenue (BKLYN, N.Y.) the Petitioner (Henry Bannister), whom is in the drivers seat of a 2016 Hyundai Santa Fe (Enterprise Rental) with Tennessee license plates (X2617K), along with co-defendant (Tashaun Carty), whom is sitting in the front seat passenger. Handing the officer the requested information from the supervisor over head, does the Petitioner notice the officer whom was on the passenger side in the manner before mentioned. Now escorting the passenger whom is in handcuffs, to a dark un-marked sedan, sitting approximately (based on information and belief) 85 feet before the Petitioners rental vehicle (see, Re-opened Suppression Hearing, transcripts inwhich Prosecuting A.D.A., Krystyl Tendy, testifies to, thus making herself a witness to the fact reflected in the above), the exact location of the fire hydrant soon to be brought into scope. After placing said newly arrested defendant inside, then speakeing a few words to the officer therein said vehicle (John Doe) before it pulls away with said defendant in tow, and officer Luis returns. It being at that time that the driver side officer asks the Petitioner if he has anything on his person or in the vehicle that would cause him harm? To let him know now! Informing said officer that it was not, does said officer further instructes the Petitioner to step out of the vehicle. Doing as directed is the Petitioner then pat frisked and the area within the vehicle inwhich he sat, briefly inspected, either, without coincide nt (see, Grand Jury Hearing, transcripts, page 8, lines 22-25, page 9, lines 1 - 6;). The Petitioner is then escorted to the rear of the Hyundai, where he is further interrogated. It being at that time that P.O. Luis whom is just returning from placing the passenger of the rental into the un-marked sedan in the manner previously discussed, whom inters the defendants rental car and begins to search (this takes place contrary to the testimony reflected in the above by P.O. Giuffre while at the Grand Jury Hearing, thus

not only is the defendant (Tashaun Canty) already arrested and on his way to the precient, but according to the Grand Jury testimony just illustrated in the above by said officer, the defendants vehicle was already searched without incident. Nonetheless, after 2 - 3 minutes into the search by Officer Luis, after placing the said passenger into the transportation vehicle earlier mentioned, does said office call out some sort of coded number to Officer Giuffre whom is speaking to the Petitioner at the rear of the rental car. Upon hearing his partner does the questioning officer immediately spins the Petitioner around and handcuffs him, he is then escorted to the un-marked sedan which transported the arrested passenger about 15 minutes earlier, and which must have returned while the Petitioner was speaking with P.O. Giuffre prior to the arrest, it (tranportation Vehicle) being parked at the same location before it left (near fire hydrant). It being at this time while being escorted to the un-marked sedan that the Defendants nephew enters the block and notices his uncle under arrest and being taken into custody, and begins to approach. However, said officers noticing this, in their haste to get the defendant into the wait ing transportation car and off the scene, shoves the Petitioner into said vehicle and in the process locking themselves out. After some several minutes that it took said Petitioner to unlock the doors with his hands cuffed behind his back, is he then tranported to said precient by the uniformed transportation officer. While at the Precient and in the process of being fingerprinted by P.O. Luis, does the defendant askes said officer is the money inside of his luggage bag safe and can he have his sister come to the Precient and pick it up. Obviously, taking (unintentional) offense to the defendants comment an request, does said officer respondes by stating "We don't want

your fucking dope money, after were finish with you, getting that money back would be the least of your problems (see, Exhibit 2 and 3, Property Clerk Invoice, No.# 3000670689, 3000670690, as well as Exhibit 4, Kings County Supreme Court Term (index, no.# 2452/17) Returne To Chatter Claim. After completing the finger printing does the Petitioner request a phone call as is illustrated by a sign on the wall which reflect this as normal procedure after finger-printing has been completed. However, the defendant is instead hand cuffed tightly behind his back and escorted to a section of the precient where he has to climb a steep stair case, which poses a problem for the defendant whom is a bilateral Prostheses wearer, so instead of going up the stairs like a person with two legs, the defendant had to be led up the stairs by the handcuffs, because of the steep angle of the stairs to keep fromm falling. Completing this task after some five minutes, the defendant is then led to a room where he is read his Miranda Rights before being led back down the said stair case, and placed in a cell with the hancuffs still behind his back. He is left in this position so long until there was no circulation in his hands or arms. It was not until a change of shift, some several hours later, and the defendant in tears that the cuffs were removed.

On May 25, 2016, said defendant is taken to the Kings County Criminal Courthouse (Docket, no.# 2016KN031330), where it is that the Petitioner learns that the passenger of the rental is released after pleading guilty to misdemeanor marijuana possession and is released. However, the Petitioner is chaged with the following:

PL 200.03 Bribery In The Second Degree
PL 200.00 Bribery In The Third Degree
(while at 480 Knickerbocker Ave/83rd Precient)

PL 265.03 (3) Criminal Possession Of A Weapon In The Second Degree
PL 265.02 (1) Criminal Possession Of A Weapon In The Third Degree

PL 265.01-B(1) Criminal Possession Of A Firearm
PL 265.01(1) Criminal Possession Of A Weapon In The Fourth Degree
AC 10-131 (I)(3) Possession Of Pistol Ammunition

he is then remanded to the custody of the Department Of Corrections.

The non May 27, 2016, while at the Grand Jury Hearing proceedings, the Petitioner is released on ROR, and is given a stipulation (Alternative To Incarceration) that provided he stays out of trouble for six months, the pending charges from the May 24, 2016, arrest would be dismissed. The Petitioner was then given a return date of December 7, 2016, and released.

On September 29, 2016 said Petitioner is re-arrested based upon un-related subsequent offense (for which he is again ROR'd, on October 4, 2016, and is given a return date of March 31, 2017),.

However, on October 3, 2016, while already incarcerated for the subsequent offense in the manner previously reflected in the above, while unaware of the events reflected in the following, is the Petitioner True Billed indicted by a Kings County Criminal Court Grand Jury (4562/2016), for the prior offense, which is done without allowing said Petitioner the opportunity to exercise his statutorial right to testify to testify at said proceeding, as he was given this opportunity at the time he was given the ATI (5-27-16), as reflected above. The newly Grand Jury indicted offenses now reflecting:

PL 265.03 (3) Criminal Possession Of A Weapon In The Second Degree.
PL 265.01-b(1) Criminal Possession Of A Firearm
PL 265.01 (1) Criminal Possession Of A Weapon In The Fourth Degree
PL 221.05 Unlawful Possession Of Marijuana (Newly Added 10-03-16)

Based upon the defendants information and belief, the indicted offenses reflected in the above being the product of a Grand Jury

which founded reasonable suspicion for the arresting officers to approach the defendants vehicle alledgedly for the purpose of inquiring why the defendants were parked on a fire hydrant, based upon the testimony of testifying officer (P.O. Giuffre) whom rendered the following testimony while under the oath of perjury while at the Oct 3, 2016, Grand Jury proceedings, as is reflected by proceeding part transcripts (G.H.J., Trans, pg. 7, lines 10 - 18) as depicted in the following:

Q. While your driving on Willoughby street at that time, what did you observe?

A. Upon observing a car parked on a fire Hydrant.

Q. We drove past it. We stopped, and went into reverse. We parked slightly behind the car, let them know that they are parked on a fire hydrant, which is illegal.

However, based upon information and belief, prior to the testimony of arresting officer given at the Grand Jury proceeding mentioned in the above. The earlier accounts of the events leading up to the arrest of the defendants , as illustrated by the records of both arresting officers (in which the Petitioner wishes to call into scope): Felony Complaint, Scratch Sheet, Memo Books, DD5, Grand Jury Synopsis Sheet, KCDA ECAB Sheet, etc., would all fail to indicate and/or mention the defendants being parked at, on or in the vacinity, opposite or before 988 or 986 Willoughby Ave. Infact, what those records would reflect is continual inconsistenties and variances in the officers statements and testimonies, from the inception of the arrest on to each stage of the following criminal proceedings. For example:

- 1) There is the Grand Jury Synopsis Sheet which alleges therein that the defendants are seen sitting in a double parked car.
- 2) That account however is contradicted by the Grand Jury testimony previously illustrated.
- 3) Then there is the KCDA ECAB Sheet at paragraph TPO 1, inwhich mentions that the defendants are see sitting in a parked car (this account is what is conveyed to the screener [Mr. Nurcan Turkman], a officer of the court working out of the BKLYN, D.A.'s office, and whom conducted the telephone interview the day after the arrest May 25, 2016 (see, Exhibit 5).

Next is the marijuana issue, which is used by said officers to establish Probable Cause to search the interior of the defendants rental car (see, G.J.H. Trans, pg. 11, lines 18 - pg. 12, line 20) as reflected in the following manner:

A. As we approach the car, it was smelling like marijuana. So, at that point, we were just talking to both defendants in the vehicle. We asked them to step out of the car; if they had anything in the car we should be aware about for our safety.)

At that point, we started our search of the vehicle. I was to Bannister. Officer Luis was talking to Carty. At that point, they brought Carty back to the rear of the vehicle . That's where I brought Bannister, I was talking to both of them at the time.

Q. Now, did you hear anything at the time?

A. Yes. At the time when I was talking to both defendants in the rear of the vehicle, I heard officer Luis say ninety--two, which means put hand cuff's on both defendants.

Q. Did you observe anything in the vehicle?

A. Yes.

Q. Whay was that?

A. It was a metal object.

at this stage of the Grand Jury proceeding, there is no mention of marijuana mentioned other then the testifying officer allegedly smelling it while approaching the defendants vehicle, which had its windows closed at the time of the approach. However, the defendant is indicted and the marijuana charge is newly added in the manner previously illustrated. Nonetheless!

On September 19, 2017, while at the Kings County Supreme Court, Criminal Term Part (28/29) before presiding part Judge (Hon. C. Mullen), it is this time, based on the Petitioners information and belief (and which the defendant wishes to call into scope for evidentiary purposes, the transcripts of said proceeding), that testifying arresting officer both render testimony while under the oath of perjury, that a marijuana cigarett/cigar is observed in plain view, near, on or in a cup holder, near the center console within the defendants vehicle, also alleged at this time is a small zip lock baggy which also contained marijuana, which neither officer at the time of this hearing can recall where or from which of the defendant's said baggy came from. However, and contrary to the testimony of the arresting oficers reflected in the above, page 3, of the KCDA - ECAB Sheet, Property Recovered section, no.# 8 (Exhibit,6), which would indicate that the alleged marijuana, being recovered by arresting officer Marvin Luis from the person of said passenger of the rental car, said officer also vouchers said evidence as well. It is also revealed while at this hearing that the marijuana alleged to have been smelled on the outside of the defendants vehicle, is un-

burned. At the conclusion of the Suppression Hearing is both contesting counselors requested by the Court to submitt supporting written argument.

On November 1, 2017, does representing defense attorney submitts his Affirmation And Memorandum Of Law In Support Of Motion To Suppress Evidence (see, Exhibit 9), therein arguing amongst many, that not only was the defendant not parked at, on or adjacent to a fire hydrant (neither opposite or before 988 or 986 Willoughby Avenue), but also "given the inconsistencies, evasive, self contradictory nature of the officers hearing testimonies, much of which is manifestly untrue, contrary to experience and taylored to nullify constitutional objections, defendants submitted that the Court should reject as incredible and unbelievable."

November 29, 2017, 2017, does A.D.A. (Krystyn Tendy) submitts her Affirmation In Support Of Peoples Opposition To Suppress Evidence. Therein, arguing amongst many and obviously overwhelmed by the many inconsistencies within the testimonies of the arresting officers, thus, relies upon one of the many inconsistencies mentioned in the above, to base her argument upon, which is that "the defendants are observed double parked (see, Grand Jury Synopsis Sheet), testimony which is contradicted by the Grand Jury testimony of the arresting officer in the manner previously reflected in the above.

February 14, 2018, while awaiting a decission from the Suppression Court, does representing attorney for the defendant, file with said Court : A Notice Of Motion To ReOpen The Suppression Hearing; based up-

on Newly Discovered Evidence, provided by the defendant whom after the excersize of his own due dilligence, provided defense counsole with the exculpatory material (see, Exhibit 10 a,b,c,d),which not only fatally rebutts the claims alleged by arresting officers whom while under the oath of perjury, made false accusations within their Police records regarding the arrest of the defendant, but also to the A.D.A and following hearings in the manner previously reflect -ed in the above.

May 23, 2018, (some eight months after the initial Suppression Hearing being held, and another ninety days after the defendants Motion to reopen said hearing, which based upon the defendants information and belief was approved by the Court, sometime in April) a City Ordonence was held for the purpose of confirming the actuall location of the fire hydrant in question. At which time, it is confirmed that the location of the fire hydrant is before 973 Willough -by Avenue and not before and /or opposite 988 Willoughby Avenue, a distance of over 85 feet (as is confirmed by Prosecuting A.D.A., Krystyn Tendy, whom testified to said information, thus, making herself a witness to said claim [Note, see, Court records of said proceeding]) and which confirmed not only the evidence illustrated by the defendants photo's supplied by Google Earth, but also supporting his claim given from the start, that they were never parked at, on/or in the vacinity of a fire hydrant. And that arresting officers neverhad reasonable suspicion or probable cause to approach their vehicle or search them or their property therein. In reference to said officers earliest claim reflected in their reports that "the defendants were observed sitting in their vehicle.

Nonetheless, based upon the Petitioners information and belief, August 2018, said presiding part Judge, Supressed the evidence alleged within indictment no.# 4562/16. Then in:

September 2018, the indictment reflected in the above, was completely dismissed...
